RESTORATIVE JUSTICE FOR A BETTER COMMUNITY

*A Division of the District Attorney*

## Davis, West Sacramento, & Woodland Neighborhood Courts Need Volunteers!

**Neighborhood Court** uses the principles of restorative justice to resolve low-level offenses outside of the traditional criminal justice system. Volunteers have the opportunity to work with community members to address harms caused by crime, hold offenders accountable, identify solutions to help offenders avoid repeating the same mistakes, and help the victim, community, and offender move forward in a positive direction.
