RE: Luis Gutierrez Navarro

Dear Mr. Raven:

On September 10, 2009, your office requested that the Attorney General review your office's decision not to file criminal charges against three Yolo County Sherriff's deputies responsible for fatally shooting Luis Gutierrez Navarro on April 30, 2009.

We reviewed your decision under an abuse of discretion standard. After a complete review of all available information, we have concluded that your decision was not unreasonable and thus did not constitute an abuse of discretion.

Sincerely,

A handwritten signature in cursive script that reads "maggy krell".
