MHC OUTCOMES:

90 % REDUCTION IN ARRESTS & JAIL BED DAYS

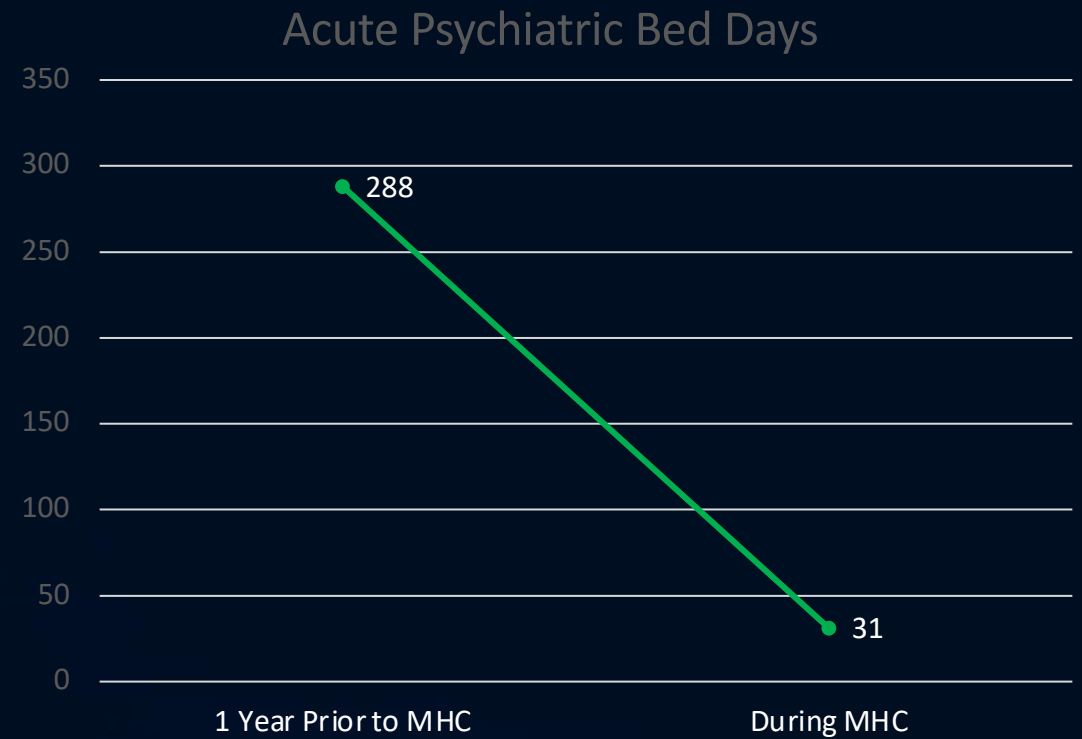

MHC OUTCOMES: REDUCTION IN HOSPITAL BED DAYS

100% Reduction in State Hospital Bed Days

89% Reduction in Acute Psychiatric Bed Days

The background is a deep blue with a complex, abstract pattern of curved lines and a grid-like texture that creates a sense of depth and movement. The lines are more pronounced on the right side, where they form a series of concentric, curved bands that spiral outwards. The overall effect is a modern, technological, and dynamic aesthetic.

ADDICTION INTERVENTION COURT OUTCOMES 2022-2023

AIC OUTCOMES:

80% REDUCTION IN ARRESTS & JAIL BED DAYS

AIC SUBSTANCE USE TREATMENT DAYS

Of Bed Days For All Participants
